

About UWT's Follow-Me Service

What is UWT's Follow-Me Service?

UWT can provide you with a toll-free (or local) telephone number from 28 countries which will divert the call to a phone number of your choosing. This can be to a land-line, a switchboard or to a cellphone.

N.B. United World Telecom also refer to this service as their "CallMe800" service or as "CallMyUSA" service too.

Major Benefits:

- Encourage clients, friends or family to call you at no cost to them.
- Change your divert number any time you travel so you can always stay in touch regardless of where in the world you are
- Instantly change your call-divert number online
- Telephone-to-Telephone quality (no low quality internet lines)
- Fully itemized call records online
- Use a collection of follow-me numbers to create virtual offices worldwide whereby clients can call a national toll-free number and connect to you.
- Choose a US 'vanity' number to spell out your company name or to make the number memorable

How to Use UWT's Follow-Me Service:

1. Give your follow-me number to your friends, family or clients for them to call
2. Change the divert number any time you wish to via our website.
