

International Dialing Codes

To call to the USA with any of UWT's services you should dial:
1 + country code + area code + phone number

To dial to any of the other countries below with any of UWT's services you should dial:
011 + country code + area code + phone number

Callback numbers either include a **305** or **786** area. If your callback numbers is a '786' code then enter this instead of '305'.
